# INTRODCUTION

Silverline was established in 1998 a Company with deep rooted Values, and having comprehensive range of product offering and wide reach supported by superior logistic capabilities, robust infrastructure with sophisticated management information system, prudent risk management practices & end to end partner support services.

With almost 20+ years in market we were able to create strong relationship into channel communities as well as Enterprise End Customer, which helped us to become one of the preferred distributors in the market. An exciting Global Brand product portfolio, affordable price, strong channel support & an effective after sales service are the USPs of Silverline group.

We have an of ce located in Gujarat Ahmedabad, F-F 1 to 8, Prime Plaza, judges Bungalow Road, Bodakdev.

We have strong team of 30+ Professionals Sales & Support who are working under different verticals which are Distribution, B2B and B2C with more than 10+ years of experience in this industry. They are catering requirements of 800+ active channel partners in 60+ Cities across Gujarat.

Silverline has won many award and recognition from various principals i.e. HP, DELL, GIGABYTE, MSI, SEAGATE and is regarded as one of most credible partner among IT fraternity. In the recent times Silverline has been marching ahead as a Value Added Distributor pro le across the country.

With the vision to make Silverline, the most innovative supply chain management company, focus on value creation for Channel Partner, resellers & system integrators. We believe in providing the best value proposition to our vendors and channel partners and Our End Customers through continuous improvement and responsive, thus turning them all into partner of choice for their IT needs.
